DISCUSSION QUESTIONS

- We are all influencers and have the ability to persuade heaven. One part of our relationship with God includes prayer. It is sometimes hard to get people to pray because they don't see their prayers answered. When we pray, heaven becomes a courtroom and God is the judge. All we need to do is get the judge to rule in our favor. God is not a tease and wants us to pray for 10 years just to answer a prayer. The reason our prayers don't get answered is because we ask not. Start asking and stop begging. **Have you ever felt like your prayers started sounding like begging? Do you truly believe you can influence heaven to move in your favor?**

- **Read Genesis 1:26-27.** God created man and woman to influence and to have dominion on earth. Jesus died to restore the authority to you and carry out this original demand. Some of us are so focused on our issues that we don't believe that we have dominion any longer. But our issues are subject to change because we live in a temporary earth. ***What do you have dominion over? Is it everything God promised you?***
- **Read Genesis 3:19.** God does not want you to live with life's foot on your neck. If Adam screwed everything up then it would take another Adam to fix it. The first Adam lost everything that God had blessed him with. If you want to know what you now have as a Christian, go study what the first Adam lost. You are meant to live with all authority in the name of Jesus. You are meant to live a free life in dominion on this earth. ***Are you living the life that God had originally prepared for you?***
- **Read James 4:2-3.** There are people so used to living a life they were not meant to live that they don't even ask God anymore for the things they need. The word says: you have not because you ask not. We need to stop being used to losing in life that we translate that into our spiritual life. Don't ever compare your earthly life to the heavenly realm because God is ready to give you everything you need. ***Have you asked, in detail, for what you need from God? Is there a prayer you gave up on because you never saw the answer?***

CHALLENGE

This week look at all the areas in your life where you are an influencer. Check yourself on what you are influencing. Are you an influencer for Christ or are you influencing others to the world?
