

# SuperNatural – Part 7

## Winter/Spring Lifegroups | Week #1

### ICEBREAKER

This semester's theme is "Life Multiplied". We all have something to contribute and something to learn. **Let's go over the basics of Lifegroups & share 3 interesting facts about ourselves. (Ex: My favorite food is \_\_\_\_\_, In my free time I like to \_\_\_\_\_, The last movie I saw was \_\_\_\_\_)**

### Lifegroup Basics:

- **Life Multiplied** – This semester is all about multiplying Our Lives & God's Kingdom. We will have monthly challenges (serving opportunities, fun outings, and more!) to help us unify us as a group take our lives to the next level!
- **This is a safe place** – Information Shared here will not leave the room
- **Friends are welcome** – This group is for anyone, regardless if they attend Redemption. Feel free to invite friends (as long as there is still room in your meeting place)
- **This is a place of encouragement** – Discussions are meant to apply the Sunday teaching to our everyday lives. We will not be debating political issues, religious doctrine, selling goods or services, or discussing anything else that takes away from the reason we are here.
- **We want everyone to contribute** - You can share as much or as little as you would like, just be sure to keep it on topic and allow time for others to share also!

### Open in Prayer & Scriptures:

**Rom. 8:26-31**

Rom. 5:8 | Jer. 29:11-13 | 1 John 4:4

### DISCUSSION QUESTIONS

- This week we talked about the Holy Spirit and all of his characteristics. Many people think that the Holy Spirit is a power or mystical being. But He is actually a person with a personality. As humans, we can easily be influenced by the personalities of those around us. **Have you noticed that some people bring out different things in you? Why did you decide to join a Lifegroup and surround yourself with this group of people in this season of your life?**
- Many times there are "what's in our lives" that we want to change. But when we change the "who's" around us, than the "what's will change". The more we get to know the Holy Spirit, the more we become like him! **What are the positive things you would like to grow in your life during this season of lifegroups? What things would you like to learn?**

- Very easily, we can feel disqualified by our past relationships, habits or decisions. The great news is that, no matter our past, Jesus never stops loving us. According to Rom. 8:30, our heavenly Father “fore-knew” us. This means that He wrote our end from the beginning. He also knew we would make poor decisions, but He still wants to use us to make a difference! **Read Romans, 8:30. Rom. 5:8, and Jer. 29:11 How does it encourage you to know that your past is not a disqualifier and that God has a bright future in store for you?**
- The Holy Spirit is a “who,” who is for us! He wants to see each of us succeed in life! In Pastor Ron’s sermon this week, he illustrated our lives as a book. Our Heavenly Father wrote the end of our book first, then works backwards. We, as humans, live the “book of our lives” from the beginning to the end. No matter what challenge we face, the Holy Spirit desires to guide us and will make sure to use it for our benefit. **Read Rom 8:28. How does knowing that in the end ALL things will work out, change the way to view a challenge you are currently facing? If you have experienced an incident some would see as negative that has already worked for your benefit, feel free to share that as well!**

### **CONCLUSION:**

We can take heart in the fact that God HAS written the book of our lives. He’s already finished the story and made a way for us to get there. Even though we don’t know how the story ends, we can take comfort in the fact that we are called because we are wanted, we are justified even though we are guilty; and we are loved no matter what. **Rest in the fact that your steps are ordered and no matter what we are going through God has your back. Because God is FOR you.... Nothing can stop His plan for your life. With His spirit, you are UNSTOPPABLE!**

- **Group Challenge:** Let’s Practice having a biblical outlook on the situations we face this week. Remember that all things are working for your good (Rom 8:26). Each negative encounter you face this week will work out for your good and is preparing you for your future. **When you think things are going wrong, stop and take time to thank God in advance for how he will use this experience for your benefit. Instead of complaining, try quoting one of this week’s scriptures and take note on how your perspective changes.**
- **Group Reminders:** Let’s multiply the kingdom by inviting a person to Easter. Check out [myredemption.cc/easter](http://myredemption.cc/easter) for ideas on how to invite a friend and downloadable graphics!
