MAIN SCRIPTURES *(read when prompted)*

While we do not look at the things which are seen, but at the things which are not seen. For the things which are seen are temporary, but the things which are not seen are eternal. 2 Corinthians 4:18

*The tongue has the power of life and death,
and those who love it will eat its fruit. Proverbs 18:21*

LET'S TALK ABOUT IT!

- No one individual represents the full glory of God. It takes a community to represent the statute of Christ. We have to come together to change the things that have gone wrong on the earth. God had given the original authority to Adam to rule the earth and everything on it. But when he sinned, chaos ensued. It took Jesus coming to earth and empowering the 12 disciples and his followers to bring the glory back. Jesus used and is still using the community of people to bring the earth back to its original intent. **What are some words to describe God's original intent for earth? Why do you think it takes community to bring back the full glory of God?**
- . Before Adam was created, everything on earth had no name or purpose. Once Adam was able to name everything they all had their mission. When Adam spoke something out, heaven would back him up. Adam was put in

charge and in control on earth, but he was never meant to rule the earth with his hands; he was meant to rule with his words. The word of God was just as powerful on his mouth than it was on Gods. And since we follow the second Adam, Jesus, the word of God is just as powerful in your mouth as it was in Jesus'. Don't go through life settling for your situation, you have the power in your mouth to change things. ***Read Proverbs 18:21. What are the words that you use to describe yourself? Are they giving you life or death?***

- ***Read 2 Corinthians 4:18.*** We live by faith and not by sight because the things we see are temporary. What you see what's going on is actually not what's going on. What is really going on is that God is working something out for you and me. Eyes can only see the present but the spirit sees the future. We need God because he has the ability to see your tomorrow and speak to it. Stay close to him and listen for his voice because your tomorrow may not look like your today. ***Are you easily swayed by what you see in front of you? What are some things you need faith to see in your tomorrow?***

PRAYER FOCUS

There are many people that don't have faith for a better tomorrow. Let's pray for those that need to hold on to see their better future. Some people don't turn to God in down times and are left upset about their lives. Make sure to pray for those people that feel alone, depressed and angry about their situation.
