LET’S TALK ABOUT IT!

- **Read Isaiah 14:16-17.** God’s original intent for his people was always to be faithful and multiply, subdue the earth and have dominion. This is still true today. But there are some believers that don’t know how to reach God’s original intent because they are wasting their time being afraid of satan. At the end of time, when we get to see satan for who he really is, we will be disappointed. Disappointed that we lived in fear and doubted God. We will see how insignificant he is compared to how great God is and we will be ashamed of all the credit we

gave him. Instead of waiting, God wants us to rise now and realize how irrelevant the enemy is and live in the power that God has given us. Jesus took the keys of hell away from satan therefore giving us the power to have dominion. ***What do you think satan looks like? Why are people so afraid of even the thought of demons and the devil?***

- **Read Hebrews 2:5-10.** These verses are referring to Psalm 8 and it was the intent of God to put all things under our feet. Yet we are not living in this type of dominion because we have not possessed everything the cross gave us. The cross gave us salvation but even though you are saved, your salvation is not finished. God is waiting for his people to stand up and speak to the problems that are on the earth. ***Read Psalm 8:4-6. Does it bring you peace or anxiety that your salvation is not finished?***

- **Read Romans 8:19-21.** As believers, we are waiting on Jesus to deliver us from a corrupt world but Jesus is waiting for us to deliver the world. According to these verses we are the earth's deliverers. Jesus will show up when we show up. If you don't think God is in a church service, just show up! He will be there because he is in you! 90% of the church is waiting for Jesus to do what he has called us to do. **Read Psalm 149:5-9.** As well as being the earth's deliverers we are also the evils executioners. We have been given more power than we believe we have and the earth is suffering because we are not living it out. We can beat a disease when we come together, rise up and take the dominion back.

How can we show up everyday? What does it mean to you to be the earth's deliverer and evil's executioner?

PRAYER FOCUS

This week lets come together as Lifegroups and pray. The world is going through a crisis and as believers that know their place and stand in dominion we can make a difference. Don't take for granted the time you have. Rise up and take your place in glory!
