

## Undeclared, Underrated (Pt. 6)

Pastor Ron Carpenter Jr.

### MESSAGE SUMMARY

This message emphasizes the often-overlooked role of the Holy Spirit as our life companion and guide—not merely the giver of gifts or fruit. The Holy Spirit is described as our divine intelligence agency, housing all the knowledge needed for our purpose. Jesus is the door, but the Spirit is who empowers us to walk through it. We carry the same Spirit that raised Christ from the dead, yet many believers fail to walk in that power because their **mind hasn't caught up with their spirit**. To fully live out our anointed purpose, we must **renew our minds**, stop regarding others (and ourselves) after the flesh, and recognize that our breakthrough often comes through people we might otherwise overlook. The mind must align with the Spirit for the anointing to manifest and change lives.

### Key Scriptures:

- 2 Corinthians 5:16-17
- Romans 12:2
- Colossians 3:1-3
- 1 John 2:20
- John 4 (Woman at the Well)
- Luke 4:18 (Spirit of the Lord is upon me)

### Discussion Questions:

#### 1. Companion or Concept?

How do you view the Holy Spirit—more as a companion or more like a distant power source? How does that impact your daily life?

#### 2. Beyond the Door:

Jesus is the door—but are you walking through it into Spirit-led living, or are you standing at the threshold?

**3. Regard No One After the Flesh:**

What challenges you most about seeing people (including yourself) not based on their past or personality but through the lens of the Spirit?

**4. Mind vs. Spirit:**

Can you identify an area in your life where your mind is not yet aligned with what your spirit knows to be true?

**5. Anointed People Around You:**

Reflect on a time someone you overlooked carried a word, opportunity, or breakthrough for you. How might you change your posture going forward?

**This Week's Challenge:**

- **Renewal Practice:** Choose one of the key scriptures and meditate on it daily this week. Journal what your spirit says through it—and challenge your mind to believe it.
- **Honor Others Differently:** Consciously choose to see at least one person this week not after the flesh, but as someone who may be carrying something from God for you.
